- **IMPORTANT!**

- Bring a LARGE jug of water as the temps are in the 80s each day! SUNSCREEN, hat, socks and tennis shoes!! Students should stay hydrated in the evenings as well to prevent dehydration the next day!
- At this time ALL forms and orders should be turned in!
- Packed lunches need to have ice packs for perishable items as we do not have access to refrigerators for the students’ lunches.
- All students are highly encouraged to attend the fun night and shaving cream showdown! Great way for the kids to unwind and bond together as a group outside of rehearsals!
- Section of the Day – Each day at band camp, sections and individuals may be recognized for their efforts. Those students will get 2 slices of pizza the following day. Mr. Poremba will announce those students at the end of each day. Friday’s students will get pizza on a designated day the following week.
