

THANK YOU

Congratulations and thank you for your purchase of genuine McCormick's Performancewear, the best designed and constructed product in the industry.

LIMITED WARRANTY

Your new Performancewear pieces have been meticulously engineered, designed, and produced in the USA. Every piece is reinforced in high stress areas and undergoes a rigorous quality inspection by hand before shipping. If in the unlikely event that a McCormick's Performancewear piece contains defects in design, materials, or workmanship, we will repair or replace it at no charge for three years following the initial purchase. This warranty covers all standard McCormick's Performancewear pieces on standard fabrics, and excludes items with customized physical construction (seams, stitching, embellishments, cutting, non-standard fabric, etc.). This limited warranty does not cover normal wear and tear; damage caused by stains, soiling, burns, accidents, abuse, alterations, or incorrect or inadequate maintenance or care; dissatisfaction due to buyer's remorse; hazards such as fire, theft, flooding, mold, etc.; damages incurred during transportation; or consequential damages of any kind. McCormick's makes no express warranty or condition whether written or oral and the company expressly disclaims all warranties and conditions not stated in this limited warranty. This warranty is valid only to the original purchaser. In accordance with the terms of this warranty, McCormick's will repair or replace at its option any covered Performancewear piece that is proven to be defective. Claims for defective merchandise must be made within 30 days from the time a defect becomes apparent. The buyer must notify McCormick's in writing and include the original sales invoice. Pictures may be required to claim defective merchandise.

USE & CARE GUIDE

Please read care instructions carefully. We recommend you having a discussion with your performers before wearing and washing your items. Performers should avoid contact with rough services, such as Velcro, to increase longevity of the performancewear. Improper garment care can result in permanent damage to your Performancewear.

Turn Performancewear garment inside out and machine wash in cold water only. Wash with similar colors on the "gentle" or "delicate" cycle with mild detergent. Tumble dry low, or hang-dry for longest life.

- DO NOT use bleach
- DO NOT use fabric softeners
- DO NOT use harsh detergents or soaps
- AVOID washing garments in warm or hot water
- DO NOT soak or leave wet in a pile
- DO NOT heavily scrub, wring, or twist garments
- DO NOT bulk wash
- DO NOT dry clean
- To iron, turn the garment inside out and use a low to medium heat setting with constant movement.
- Grass stains are best removed with commercial pre-soaks or sprays. Do not scrub these areas. Do not attempt to remove other types of stains with chemicals, as they may affect the colorfastness of the material.

Improper cleaning or drying can result in the fading or bleeding of colors and is not covered by our warranty.
